

Virtual Experience Team (VXT™)

Execute your UX projects to the highest quality whilst building your team

Many organisations prefer to build their own UX team but don't know where to start. Akendi can complement, train and coach your team helping you deliver the best possible experience whilst your team is learning and growing.

THIS SERVICE HELPS TO...

Ensure you are delivering best-in-class experiences with a virtual UX team

Help your team grow in maturity and size using scalable support

Train your staff to embed Experience Thinking into your organization

WHAT YOU GET

UX projects executed to the highest standards with a team consisting of your and our staff. Specifically:

- ✓ Instant access to an experienced professional UX team with all the skills needed to fill in your skill gaps at any level
- ✓ Ongoing guidance, training, and support from the founders of Experience Thinking™
- ✓ A well-proven UX approach tailored to your specific needs
- ✓ A fast-track to your own UX-team avoiding the common pitfalls of starting a UX team from scratch

Virtual Experience Team (VXT™)

HOW WE DO IT

- 1 After understanding your requirements we jump in and complement your team by adding our experienced professionals as early as needed.
- 2 We train your teams to introduce UX design into your organisation.
- 3 We coach your team so they can learn on the job with professional UX support.
- 4 We embed an ISO compliant design process into your organisation.
- 5 We help you recruit new high-quality staff to, over time, replace us.

About Akendi

Akendi is a human experience design firm with 16+ years of successful collaborations, leveraging equal parts research-led analysis and inspired creative design. Our multi-disciplinary team of 15+ specialists help your organisation to deliver exceptional experiences and provide strategic insights to put you a step ahead of the competition.

Our Services

We ideate, strategize, research, design, test and construct all aspects of the customer and user experience, ensuring intentional experiences that meet citizen, customer and user needs. Every time.
